WHAT IS TIGRESS CLUB PARTNER

The Tigress Club Partner programme is an initiative that allows grassroots clubs to become partnered with a local elite women's football club. Hull City Ladies will be looking to partner with local girls & boys football teams for the upcoming 2022/23 season.

It's been fantastic to see good crowds so far at the Easy Buy Stadium, which is located Off Pasture Road, Barton Upon Humber, DN18 5RL. We're looking forward to welcoming more mascots, players and supporters down and we're delighted to re-launch Tigress Club Partner, in association with our Principal and Community Partners Reds10!

Our programme has five key aims:

- To help and support the grassroots community football teams and clubs.
- To develop their confidence, knowledge & skills further.
- To have female football role models that inspire junior players.
- To increase participation for Women's and Girl's football.
- To enjoy match days at a family friendly club and win prizes for your team and/or club.

Clubs will receive many benefits for being a member of The Tigress Club, in return for attendance at our FA Women's National League home games throughout the season.

The programme is being offered free of charge to junior clubs. With all junior players (under 16's ONLY) receiving free entry to all Hull City Ladies matches. We encourage everyone connected to the teams and clubs registered as a club partner, to come to our home games throughout the season.

Sponsored by Reds10, the individual team who brings the most supporters & players to stated games, will win a kit for their team for the start of the new 2022/23 season. For example if Elloughton Blackburn bring lots from their club, the individual age group who brings the most will win the kit, for example Elloughton U9's.

Hull City Ladies will design the kit in your team colours, with REDS10 and our BreakingDownBarriers slogan proudly on the shirt alongside your logo. If kit is not required, the team will win other stuff such as rain jackets or bags and bottles.

BENEFITS TO MY CLUB

Benefits include opportunities to work and engage with our players and coaches plus many more, we want you to have fun and gain experiences working with a tier-four football club. There are eight main benefits of becoming a Tigress Club Partner!

Access to exclusive opportunities & priorities!

Priority on mascot, flag bearers and ball girl's opportunities, invitations for open training sessions, plus much more! Mascots walk out with the team ahead of the game, receive free posters and opportunities to meet the team after the game for photos and signatures.

Each club will have the opportunity to receive special invites to club events and any tournaments. Each partner club will receive first access to any special coaching days which Hull City Ladies run.

REPRESENTATION

Thank you for becoming a Tigress Club Partner. We will also be sending you the official Tigress Club Partner emblem for you to use any way you wish. Post it on social media, online websites or print it out, be proud that you are an Official Tigress Club Partner. Also, you will receive a certificate of partnership with Hull City Ladies FC.

MATCH DAY TICKETS

Junior players and Under 16's will be enabled to gain free entry to every home game of the season which includes League games, League Cup games, and FA Cup games. All other club personnel will be able to purchase tickets at a discounted rate.

All Under 16's receive a free poster which they can get signed and after the game opportunities to meet the players for photos, selfies and signatures.

A member of Hull City Ladies will be in contact with team coaches/managers to see how many people will be attending on game days. At the game and at the gate state the team you are from and we will tally all supporters teams up and then reveal via our social media which team has brought the most supporters.

HCLFC PLAYERS IN ATTENDANCE

Hull City Ladies players/staff/coaches can visit club training sessions and deliver coaching and/or a Q&A session for your club. This is subject to availability, please send any requests to: Chris.Peachey@hullcityladies.com

Identification of Players

We aim to help and support local clubs to develop girls' football further. To promote and create more contact time and increase opportunities to play football. We hope that we can inspire the next generation as well as being role models for those wanting to participate and progress within the game. Identification and selection of players for our Girls Emerging Talent Centre and Girls Elite Academy which helps support junior clubs in Hull and the surrounding region

DISCOUNTS

All parents, coaches, and other club personnel will be given opportunities to purchase season passes, matchday tickets, hospitality, birthday parties and merchandise at a special discounted rate. Also, discounts on holiday camps and football sessions will be given to junior players. Holiday Camps encourage contact time & promote football to kids.

We offer skills sessions for junior players with our development sessions and half-term camps which prove extremely popular.

Delivered by qualified coaches and our first team players, we can offer skills sessions that provide your players the chance to learn a range of new skills which improves confidence and core footballing skills.

HOLIDAY CAMPS

The most important factor of a Football Summer Holiday Camp is that it should be fun! Games, challenges and practices are engineered to ensure that kids get the maximum amount of enjoyment and development from sessions so that they go home knowing they made the most out of the day - They are tailored to all so that everyone can take part.

The sessions will be run by HCLFC coaches to increase knowledge, skills & contact time!

We've got a fun packed schedule including: professional coaching, tournaments, activities and much much more!

WHAT YOU COMMIT TO US

- Commitment to attend our home games
- We encourage you to attend our home games, whether this is players, coaches, or family members, anyone is welcome!
- Don't forget the team who brings the most supporters each stated game will will a full kit, in association with Reds10.

PROMOTION

Partner clubs are expected to promote matches with all club personnel. Share our social media posts about upcoming games and join our mailing list via our website! Also, to take a photo of your team with the official certificate, so we can share it on our social media.
