GUEST SPEAKERS

Carol Thomas BEM

Carol Thomas BEM became the first England captain to surpass 50 caps, as Carol succeeded Sheila Parker as captain in 1976, holding that position until her retirement in 1985. Hull City Ladies was pleased to announce in 2019 that Carol Thomas became Hull City Ladies FC first Club Ambassador. Carol has been instrumental in supporting the Club to date and we are very proud to have her with us as we continue on our journey to success.

Carol Thomas BEM will be entertaining and educating guests, with tales of her achievements and success and having a good laugh along the way. Carol is very endearing and humbling, she is an absolute joy to have at any engagement and we are confident and know from experience that Carol is often the life and soul of the party!

Jess Park

Jess received her first senior squad call-up in September 2022 for the internationals against USA at Wembley and Czech Republic in Brighton after a bright start to the Barclays WSL season on loan with Everton.

Hailing from Brough, just outside Hull in east Yorkshire, she started her career playing with York City's junior sides after learning her trade by playing street football with boys and then joining local grassroots club Elloughton Blackburn FC. After catching the eye for York, Jess then joined Manchester City as a youngster in 2017 and has since developed through their ranks.

A regular for England's development teams over the years too, Park has earned double figures in terms of caps with both the WU17s and WU19s. Please note Jess' involvement on the night is subject to any potential England camp dates!

Danika Priim

Leeds Rhinos Women's player Danika Priim announced her retirement from Rugby league in 2021 after a six-year career that has seen her win every major honour in the domestic game and earn international honours for England.

The 37 year-old prop was part of the first ever Rhinos Women's squad in 2018. She made her debut against her former club Bradford Bulls and went onto make 29 appearances for the Rhinos and score three tries.

Danika will be telling her story about her career and representing her country in a Rugby League World Cup!
